

CEU-n-AUG

The Montgomery Chapter of the American Institute of Architects is organizing CEU-n-AUG, our annual continuing education event. First organized in 2010, CEU-n-AUG has become the Chapter's most attended event. It provides the opportunity for Chapter members to attend AIA accredited HSW CEU seminars while viewing some of the latest products in the construction industry. Since its conception, we have opened the event to all Architects and Interior Designers in the State of Alabama and attendance increases each year. We want to invite you to be part of CEU-n-AUG.
