President's Message | ●●●●

My message this month is a reminder to all our firms and architects. I've found that repetition is the best form of reminder, so I'm going to once again mention that the dead line is nearing for the entry forms and fees to be submitted for our first Annual Design Awards. The date is SEPTEMBER 5th, SEPTEMBER 5th, SEPTEMBER 5th, SEPTEMBER 5th.

National AIA has asked that we provide services to our Chapter that will help increase the membership size. We are hoping that exposure of the Design Awards will encourage our local non-member architects to join our Chapter. Your board is asking that all of you please provide at least one submission and remember the format will also allow you to submit your project to the Alabama Council Design submissions. So kill two birds with one stone and submit.

One further reminder is for all of you to participate in next weeks continuing education seminars at the Country Club. The sponsors for this month's meeting are putting forth a lot of time and money to provide an informative day of continuing education. For those that aren't going to make it to Auburn this will be a fantastic chance to stay in town and pick up 5 hours of HSW. Please help us represent our Chapter well by participating. If the attendance for the seminars are good we will look into providing the event annually and maybe even expand it to where Chapter members can receive up to 8 hours of HSW learning units for free.

Hope to see you there and don't forget to ask me about free Auburn football tickets.

Douglas McNab, AIA
President
